

# Why Invest in the Yankee Institute for Public Policy?

“We use research methods that have been tested nationally by free-market think tanks to generate pressure for lean and effective government.”

Yankee Institute Executive Director Lewis M. Andrews, Ph.D.

Your investment in a Yankee Institute gift supports our efforts to make government more efficient and effective by reducing burdensome taxes, encouraging privatization of government services, expanding parents’ options to choose the best schools for their children, and providing real economic opportunities for the poor and disadvantaged.

If you believe in helping people help themselves and keeping more of what you earn, then please contribute today. Your donation assists us to broaden our impact as we transform Connecticut into a society where people are empowered to pursue private solutions to personal and social needs without hindrance from government.

We invite you to become a member by joining one of our giving societies.

Membership at higher gift levels provides invitations to events—including receptions, special briefings, free seminars, speeches by national policy experts, and networking meetings with like-minded leaders and thinkers throughout Connecticut.

Cut off below and return your gift in the enclosed envelope.

✂
